BỘ TỪ VỰNG THEO CHỦ ĐỀ IELTS TASK 1 THƯỜNG GẶP

Chủ đề: DÂN SỐ & XÃ HỘI

- population growth / population decline / aging population
- birth rate / death rate / fertility rate / life expectancy
- urbanization / rural-to-urban migration / suburban sprawl
- household size / household income
- literacy rate / employment rate / unemployment rate

Chủ đề: KINH TẾ & THƯƠNG MẠI

- GDP (Gross Domestic Product) / economic output
- exports / imports / trade balance / trade deficit
- consumer spending / household expenditure
- inflation rate / interest rate / exchange rate
- revenue / profit / turnover / market share

Chủ đề: NĂNG LƯỢNG & MÔI TRƯỜNG

- renewable energy / fossil fuels / carbon emissions
- electricity generation / energy consumption / energy mix
- coal / oil / natural gas / nuclear power / solar / wind
- greenhouse gas emissions / carbon footprint
- recycling rate / waste production

Chủ đề: GIÁO DỤC & CÔNG NGHỆ

- enrollment rate / graduation rate / dropout rate
- higher education / tertiary education / vocational training
- internet access / broadband connectivity / digital literacy
- smartphone ownership / social media usage
- research and development (R&D) spending

Chủ đề: GIAO THÔNG & DU LỊCH

- passenger numbers / freight volumes / transport mode
- car ownership / public transport usage
- international arrivals / tourist spending
- aviation / rail / road / maritime transport

BÀI TẬP 1: ĐIỀN VÀO CHỖ TRỐNG

Hướng dẫn: Chọn từ phù hợp từ hộp từ bên dưới để điền vào chỗ trống.

(*peaked / whereas / roughly / declined / illustrates / approximately / account for / gradually*)

1. The pie chart _____ the proportion of energy from different sources in 2020.
2. Coal and oil together _____ just over half of total electricity production.
3. _____ 3.5 million tourists visited the country in 2019.
4. The number of visitors rose _____ throughout the 1990s before leveling off.
5. Car usage _____ by 15% between 2010 and 2020.
6. Tourism figures _____ in 2015 at just over 5 million arrivals.
7. _____ half of those surveyed used public transport daily.
8. The UK saw strong growth, _____ France's figures remained relatively static.

Đáp án: 1. illustrates 2. account for 3. Approximately 4. gradually 5. declined 6. peaked 7. Roughly 8. whereas

BÀI TẬP 2: SẮP XẾP THEO MỨC ĐỘ

Hướng dẫn: Sắp xếp các từ dưới đây theo mức độ từ NHE → MẠNH

Nhóm từ chỉ TĂNG: - grew / surged / rose / shot up / climbed / soared

(nhẹ nhất → mạnh nhất)

Nhóm từ chỉ GIẢM: - declined / plummeted / dipped / fell / dropped / collapsed

(nhẹ nhất → mạnh nhất)

Đáp án gợi ý: - TĂNG: grew → rose → climbed → surged → soared → shot up - GIẢM: dipped → declined → fell → dropped → collapsed → plummeted

BÀI TẬP 3: VIẾT LẠI CÂU

Hướng dẫn: Viết lại các câu sau sử dụng từ/cụm từ trong ngoặc mà không thay đổi nghĩa.

1. 50% of the budget went on housing. (*account for*)
2. The rate went up quickly after 2010. (*surge*)
3. Germany had more cars than France. (*in comparison to*)
4. About 70% of students graduated. (*approximately*)
5. The figure went down to 25% by 2015. (*decline to*)
6. Both countries saw similar increases. (*likewise*)
7. The highest point was in 2008. (*reach a peak*)
8. The difference between the two groups was large. (*considerably*)

Đáp án gợi ý: 1. Housing accounted for 50% of the budget. 2. The rate surged after 2010. 3. Germany had more cars in comparison to / compared with France. 4. Approximately 70% of students graduated. 5. The figure declined to 25% by 2015. 6. Likewise, both countries saw similar increases. / France likewise saw similar increases. 7. The figure reached a peak in 2008. 8. The gap between the two groups was considerable.
